

# High Gloss and Durable Floor Finish (Green Formula)

# Green Star™

## Shiny, Durable & Green!

Looking to add extra shine to your floors and stay green? Get **Green Star™**. With high put-down gloss, **Green Star™** will make your floors glisten. **Green Star™** is durable and withstands scratches and scuff marks.

- ✓ Latest Metal-Free Green Technology
- ✓ High Gloss & Durable Finish
- ✓ Easy-to-Maintain
- ✓ No Ammonia Odor
- ✓ Faster Drying Time
- ✓ Strips Easily

## Advanced Formula That Goes on Easy

**Green Star™** Floor Finish is made with the latest zinc-free technology. It spreads easily on floors. Lay it down using a nylon mop or flat microfiber mop system. Any other system/method that you currently use for your conventional floor finish, can also be used to apply **Green Star™** on your floors.

## Quick Drying & Easy To Maintain

**Green Star™** dries quickly and evenly. **Green Star™** Floor Finish is low maintenance. It can be maintained with conventional low speed mop/recoat program. It responds very well to the high speed burnishing without powdering.

## Removal Is Simpler

Removing a floor finish can be difficult and time consuming. **Green Star™** does not contain any zinc. It is easy-to-strip using low odor green **ODOFREE™** stripper or any other conventional floor stripper you use.
