

Durable, High Gloss Acrylic Floor Finish

Rock Star™

High Gloss & Outstanding Durability

Rock Star™ Floor Finish is a guaranteed modified acrylic floor finisher that makes your job easier in the long run. Used on most tiles and ceramic floors, **Rock Star™** provides an excellent gloss and a superior response to high speed burnishing that can be maintained with either conventional low-speed programs or infrequent (2-3 times a week) high speed burnishing. **Rock Star™** is designed for use in schools, offices, churches, grocery stores, retail stores, health care and industrial sites.

- ✓ Brilliant Gloss
- ✓ Low Maintenance
- ✓ Superior Scratch/Soil Resistance
- ✓ Fewer Coats Required
- ✓ Easy Removal
- ✓ Slip-Resistant
- ✓ Excellent Response To High-Speed Burnishing

Scratch & Slip Resistant

Rock Star™ is a high solids, low odor floor finish that offers scratch & slip resistance in heavy traffic areas. **Rock Star™** is non-yellowing and maintains excellent clear color while resisting dirt and black heel marks.

Easy To Use

Rock Star™ is easy to apply. It dries fast and saves you tons in labor costs. Up to five coats can be applied in a few hours.

Durable, High Gloss Acrylic Floor Finish

Rock Star™

Directions For Use

- 1) Thoroughly strip floor with a stripper.
- 2) Rinse floor thoroughly with clean water.
- 3) Apply a sealer base (optional) to worn floors or high traffic floors to improve wear- resistance and enhance gloss.
- 4) Apply 2-5 coats of floor finish in uniform thin coats allowing time to dry thoroughly between coats. Allow for longer drying time in damp weather.

Maintenance

- 1) Sweep as necessary.
- 2) Damp mop or scrub lightly with a mild, neutral detergent.
- 3) Spray buff or buff lightly with appropriate pad. Also excellent for high-speed buffing.
- 4) In high traffic areas, re-coat worn spots as necessary.

This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold as is and the manufacturer makes no warranty, express or implied, of merchantability, fitness for a particular purpose or otherwise.
